Observation

Game management

Game management

Level and consistency

Balance in the referee team, splitting the responsibilities

Communication, this also includes the communication between the referees and the signs

Using the advantage

Personality of the Referees

Leadership, appearance, handling the situations

Interpretation of the rules

Knowledge of the rules in general

Level of the physical play

Level of the stick play

Movements and positioning

Supervising the goal line and the players (also players without the ball)

Did the movements and positioning in general work?

Penalties

Were given penalties according to the Rules of the Game and according to the spirit of the game itself?

If "big" penalties given, how were those carried out?

Task for tomorrow

- **Make a summary of each team in your game with information that you think would benefit our team. Playing style, players and coaches of interest and so on.**
- **Post it in the WhatsApp-group**
- **Deadline tomorrow 10.00**
- **I will summarise it and send it out to you**
